
Stick the other sheet to the back of this last rectangle.

Concertina words.

1. Cut out the two large rectangles.
2. Glue the two together where shown.
3. Fold along the strips to create a stair case shape so you can view the word SCIENCE
4. Put a mirror at the right end to see MAGIC in the reflection.

Created by Matt Pritchard www.sciencemagicshows.co.uk

Apply glue here and stick to the other sheet.
